For the 3rd consecutive year, China Tour de Ski will cover all the northern parts of China, travelling from east to west. The tour will start out in Changchun, Jilin Province in northeast China before moving on to Xiwuqi in the province of Inner Mongolia. The last 2 stages will be held in Nalati, Xinjiang Province in the very western parts of China.

The skiers of China Tour de Ski 2015 need to be prepared of extensive travelling as in addition to the international travel, the participating athletes will travel more than 9000km domestically just between the event venues. With only a few days before the start of the 2015 China Tour de Ski, preparations are on-going and we look forward to great competitions all over northern China.
